## Cannondale Motorsports Parts Bulletin

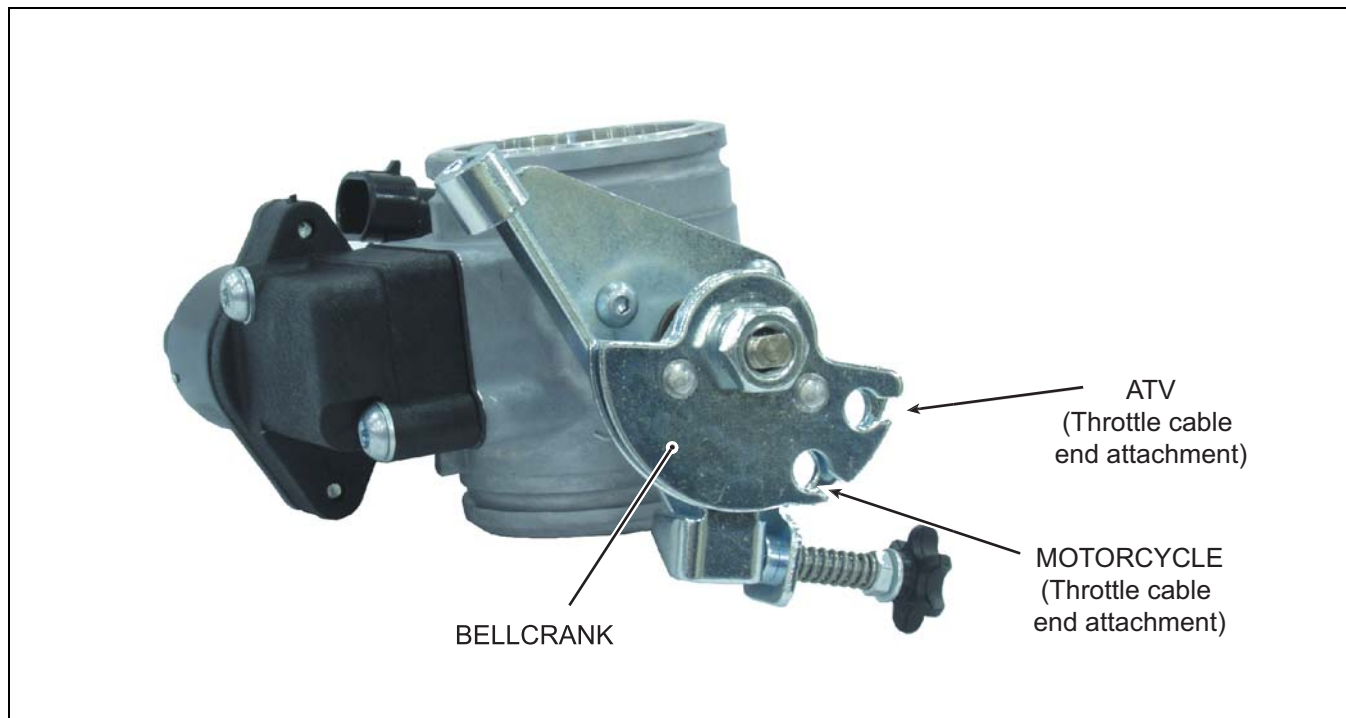

BULLETIN : PB02-002

MODELS : All 2002 ATVs and Motorcycles

ISSUED : 3/15/02

SUBJECT : Revised throttle body assembly - bellcrank

DETAIL : A running change has been made to the throttle body assembly for all 2002 model ATVs and motorcycles. The bellcrank of the revised assembly includes both an ATV and a motorcycle throttle cable end attachment point. To obtain the specified throttle cable freeplay, the cable ends of ATVs and motorcycles must be attached as indicated in the illustration below.

**Revised throttle body assembly**

**NOTE :**

*The revised throttle body assembly includes other component part changes. Consult vehicle parts catalogs.*

*Information is subject to change without notice.*
